

~ NEWTOWN LOCAL MARKET ~

SATURDAYS, 9AM TO NOON

Market Questions— Stephens City Town Hall: 869-3087; Vendor Questions: Angela Mohr 869-8529

April 5, 2013

My dear NLM Vendors!

A new season is begins soon. As we agreed last summer, the Newtown Local Market will start prior to the Newtown Heritage Festival. Our first Saturday will be Saturday, May 4, 2013. That will give us three weekends before the Newtown Heritage Festival. Set up by 8:30am; breakdown by 12:15pm.

Trinity Lutheran Church will be building a new community hall, so use of the parking lot is curtailed this year due to construction needs. However, the Newtown History Center has agreed to allow us free use of the padded space across the street. Customers can be directed down the side street for parking on the grassy area behind. (Skyview map attached.)

Newtown Local Market and parking direction signs will be made. The NLM will stand through the season; the parking sign will go up each Saturday along with small road signs for the four corners of the lighted intersection.

I look forward to seeing you again!

Angela Mohr

Remember, Rt. 11 Crawl is August 10th this year!
